MUSEUM PASS PROCEDURES

Passes are available on a first come first serve basis to library patrons who have a valid library card. Although the library does not reserve museum passes, we will hold a pass for one hour.

Most passes may be obtained by stopping by the Circulation Desk in the Children's Department at the Prosser Public Library.

Passes cannot be combined with any coupon or discount offer.

Each pass circulates for 2 days.

Please return passes to a Prosser Children's Department staff member and do not use the drop box.

Overdue fees are \$10 per day. The patron will be charged for the replacement cost of a lost pass.

Museums often change the rules and put new restrictions on their passes. For current information please check with Prosser Public Library or the museum.
